WELLNESS INTEGRATION NEWSLETTER

Many medical professionals experience stress under the unique demands of working in an academic medical environment. Sometimes, we can be resilient in the face of severe stress, but at other times we can become overwhelmed and may benefit from additional support. The Wellness Integration Newsletter seeks to provide a foundation curriculum with an array of tools to support and expand your current wellness efforts thereby facilitating a strong and thriving workforce. This newsletter is distributed monthly.

WELLNESS RETREAT- Save the Date:
April 5, 2023
